

**Dear Sir/Madam,**

**Date : 08-08-2020**

I am writing this letter of recommendation to Mr. Jayvardhan Rathi s/o Aniruddh Rathi a student of SRM Institute of Science and Technology, Kattankulathur, who has successfully completed One Month Internship program from 1 July 2020 to 4 August 2020 as a Python Developer at Technocolabs , Indore. During this Internship he was found to be very punctual, hardworking and inquisitive. During his time in our company he demonstrated a good work ethic and interpersonal skills . We outlined a scope of work to be completed and he successfully completed that work in the given time period. He put in extra hours as necessary in order to meet specific deadlines that we set. We teamed him up with other students to work on the project. He seemed to work well with the other students and we found to be very personable. He put in sufficient work as a Python Developer. Overall , strongly recommending him for the position as a Python Developer.

Additionally, Mr. Jayvardhan Rathi worked On various technologies for development of project on time. He demonstrated professionalism and respect by timely submitting his projects and communicating clearly with project team. Our team was impressed by his final Internship presentation. which is reflected his growth as a promising expert as a Software Developer in the Python Field. We are confident he will be a strong asset to any organization.

**Sincerely,**

**Yasin Shah**
